

2024 Business Excellence Awards (BEAs) Sponsorship Opportunities

The BEAs (Business Excellence Awards) is a decades-long tradition, managed by the Dufferin Board of Trade (formerly the Chamber of Commerce), of recognizing and celebrating local business. The BEAs begin with the launch of a three-week nomination period where members of the community are encouraged to nominate local businesses and non-profits they see making an impact in Dufferin. This process engages our municipalities, local businesses, and consumers in nominating outstanding local businesses. After nominations close, nominees are asked a few

questions to help tell their stories. This information is sent to judges from outside our area for non-biased judging. Nominees' logos and stories are also added to our website and social media to further promote these outstanding local businesses and showcase Business Excellence in Dufferin. Nominees will be presented with a certificate of their nomination, and the Award winners will be announced at a special Gala Evening in May at Monora Park.
