

PLAY LOCAL GOLF TOURNAMENT

Benefiting the Headwaters Hospital Foundation

August 22nd, 2019

Shelburne Golf & Country Club

The Dufferin Board of Trade is a non-profit community-building organization in its 110th year serving Dufferin County. For the past 28 years, one of our most successful community-building and business-connecting events has been our annual golf tournament. This year's **PLAY LOCAL TOURNAMENT** will be bigger and better than ever, with a putting contest, numbered ball throw, many games and contests, and a delicious steak dinner. In addition, we will be raising funds for the **HEADWATERS HEALTH CARE FOUNDATION** with a special silent auction, new sponsorships, and a fun new "Dinner and Drinks" prize pull.
